CLUB CALVES & COMMERCIAL CATTLE

Some really outstanding summer 1975 club calf prospects have been consigned and should be a real attraction to the sale. Also the number of 1975 heifer calves just ideal for Junior shows are a major attraction. Remember the Reserve Grand Female in three national shows last year came from an Okla. sale as a calf last spring. There are several champions in this sale. I wonder who will be the lucky exhibitor. There are several commercial Shorthorn female consigned that will work.
